SUMMARY

Dynamic Full Stack Web Developer with 7+ years of experience designing and building a variety of web solutions. Spearheaded the creation of 5 eCommerce websites, enhancing user engagement at 60+ retail locations, while integrating POS systems and payment gateways. Creator of iOS applications, responsive sites for businesses, and engaging video and web media. Seeking to leverage extensive UX/UI expertise and leadership in web solutions for innovative digital transformations.

EXPERIENCE

Senior eCommerce Full Stack Web Developer

Schwazze

April 2022 - September 2024, Denver, CO

- Spearheaded the creation and development of 5 eCommerce websites and dynamic in-store menus for 60+ retail locations.
- Worked with POS systems, payment gateways and loyalty programs to create fully featured online shopping experiences, increasing online sales by 150%.
- Led offshore team and managed scrum workflows, sprints, and change management systems with Jira.
- Optimized Javascript, React.js, and PHP through regular sprints to decrease page load times by 60% to under 1s LCP.

Junior Web Developer and Designer

Educyber, Inc.

August 2019 - April 2022, Wheat Ridge, CO

- Developed 8 new sites while maintaining 80+ Wordpress installations, ensuring site reliability along with the latest updates and security patches.
- Utilized SEO best practices to increase traffic to shop websites by 40% and drive leads to small businesses via organic searches.
- Applied latest WCAG accessibility guidelines for proper use of screen readers.
- Created wireframes and mockups using Figma and Invision and translated them into pixel-perfect responsive webpages.

Digital Media Specialist

Swordfish Studio

September 2017 - July 2019, Evergreen, CO

- Built websites with customized shop and marketing experiences for 5 brands.
- Created logos, food labels, brand guides and digital assets for health food products.
- Shot, edited, rendered and collaborated on video/motion graphics for local businesses, increasing viewership by 10,000+.

Social Media Intern

Jefferson County Open Space

May 2015 - July 2016, Golden, CO

- Produced winning video for \$20,000 GOCO grant, nominated for Jeffco Special Achievement award.
- Shot and edited dozens of videos for trail building and conservation initiatives for local parks.
- Responsible for social media marketing on Instagram and Youtube platforms, increasing subscriber count by 1,000+.
